

Gift Aid Declaration Form

GIVING SOMETHING BACK

This form is only to be used to claim Gift Aid for your own personal donations. If you wish your donation to also be match funded you must complete a match funding application form and send together with this Gift Aid declaration form.

Gift Aid allows you to increase your donation to the charity of your choice at no extra cost to you. All personal donations qualify, large or small, one off or regular.

Through Gift Aid the charity can re-claim tax paid on your donation, increasing your donation by 28%, that's 28 pence per pound donated. This means a donation of £10.00 can be turned into £12.80 and £100 turned into £128.00, making your generosity go even further.

To Gift Aid your donation you must confirm that you are a UK taxpayer and that you agree to Charities Trust claiming Gift Aid on behalf of your chosen charity. What you pay in income or capital gains tax must at least equal the amount of Gift Aid claimed.
