

COMMUNITY PROGRAMME 2009

Volunteering Opportunity Application Form

Do you like the idea of volunteering but don't know where to start?

Think about the skills and hobbies that you have and how you could use them to support a community project or charity in your area. Do you have good organisational skills, can you cook, is cleaning something you enjoy, what about gardening and driving? Do you like reading, playing sports or even decorating? All of these can be used as a way of volunteering.

Giving your time is just as important to a charitable cause as donating money, if not more. Who knows, you might enjoy it and meet other like minded people in the process. Not being paid to give your time doesn't mean it isn't rewarding.

The Community Team can assist you in finding a suitable volunteering project in your area that suits the skills that you have to offer.

What type of volunteering would you like to do?

- Conservation projects - nature reserves, beaches, rivers, woodlands
- Administrative tasks – computing, office based tasks
- Painting & decorating – maintenance and renovation
- Supporting people – children, young, homeless, elderly, mentally ill, disabled
- Reading mentor – listening to children read, teaching adults to read
- Animals – walking dogs, helping at animal sanctuaries & city farms
- Academic mentor - supporting higher education students
- Sports – coaching, leading, developing skills
- Working in your community – projects and events taking place
- Assisting your nominated charity – supporting fundraising efforts, giving time

*Please tick the volunteering you are interested in
